

2004-2005 Wisconsin Student Government
Resolution Four

Dedicated to: Thanking Legislators for their hard work on Transferability of Credits

Whereas, the Wisconsin Student Government represents over 340, 000 students from 13 campuses, and,

Whereas, the Wisconsin Student Government is concerned with legislative initiatives of the State of Wisconsin that affect education, and

Whereas, the Wisconsin Technical College System is a tool used for higher education at all levels, and,

Whereas, the students of the Wisconsin Student Government believe that investing into education is an investment into the economy, and

Whereas, the Transfer Information System creates a wonderful information database for the students of Wisconsin, and,

Whereas, this makes it easier for students who are working for vocational degrees now to some day go back to school and work towards bachelor or higher degrees without having to retake the same classes, saving the taxpayer dollars, and encouraging more technical college graduates to further their education,

Therefore, be it resolved the Wisconsin Student Government would like to thank the legislators for taking a proactive role in the transferability of credits helping to create a bridge between University of Wisconsin System, and the Wisconsin Technical College System, and,

Therefore, be it also resolved we ask that the freshman legislators will also acknowledge the importance of transferability of credits now and in the future of their tenure as our representatives in the Wisconsin Legislature.

Adopted by the Wisconsin Student Government this day, the seventh day of February in the year two thousand and five
